

THE Rescue Mission™

CHANGING LIVES FOR GOOD™

CURRENTLY NOT ACCEPTING ANY ITEM DONATIONS

Starting Thursday, July 12 at 5PM

Dear Donors,

The Rescue Mission will not be accepting item donations at any of our Rescue Mission locations, including the Donation Center at Treasure House.

We've been blessed to be your favorite donation location in Fort Wayne! So much so, that we need to halt donations to do an operational reset on our Treasure House Thrift Store and Donation Center.

We hope you will join us at Treasure House on August 1 for a Grand Reopening, where we will present to you an improved Treasure House with an even better donor and shopper experience than before.

Thank you, as always, for supporting The Rescue Mission through your donating and shopping at Treasure House. **Your purchases and donations continue to help us in Changing Lives for Good at The Rescue Mission.**

Rev. Donovan A. Coley, Sr.
CEO | Senior Pastor

P.S. If you can, I encourage you to hold on to your donations until we reopen. **Thank you for your patience as we work on an improved donation experience!**

Donations at this location will resume August 1.
